ALL ABOUT ME

I have over sixteen years in the field of education, having taught high school English in Jamaica, New York, Georgia and now Illinois. This will be my first-year teaching at Aux Sable and I am thrilled to be embarking on this journey of discovery with your children-my new sixth graders 😊 I am a mom of 3; Emily (4), Justin (8) and Ryan (10). I am married and take great pride in family connections. I am anticipating building great relationships with my students as well as their parents/guardians this year.

THESE ARE A FEW OF MY FAVORITE THINGS..

*FOOD: Flavored teas; dark chocolate; popcorn and nuts
ACTIVITIES: Running; CrossFit; traveling, reading;
writing; movies; serving in my church and
spending time with my family.*
