

Flip over your CER organizer. On the back side of the paper set it up as follows:

-while watching the episode you will be taking notes on how the undercover boss (CEO) is performing as a Forman Mills employee (not as a CEO). You should write down as many reasons as you can since you will have to complete a CER paragraph later on using this information.

Write the following:

Reasons to Hire OR Fire the CEO as a Forman Mills Employee

Reasons to Hire	Reasons to Fire

Complete your CER graphic organizer first (for the Forman Mills undercover boss episode) THEN complete the paragraph for it. The paragraph should be 5-10 sentences. Underline your claim. Highlight your 4 pieces of evidence blue and your 4 reasoning's yellow. I have highlighters up front if you do not. If you finish this in class you may turn it in; if not, both are due tomorrow. If you used multiple sheets of paper, staple the GRAPHIC ORGANIZER on top of the loose-leaf sheet. The CEO's name was Rick Forman.
